

CARDINAL GIBBONS TO REST. "NO TINKERING" WITH FOOD BILL, WHITMAN WARNS

Protect Baby's Skin With Cuticura Soap

Cuticura Soap is pure, sweet and cleansing and Cuticura Ointment so soothing and healing, that it is a pity not to use them all the time. Get after a hot bath with Cuticura Soap, dry and apply Cuticura Ointment to any rashes, irritations, chafing, etc. Instant relief usually follows and baby falls into a refreshing sleep. For sample each free by return mail address post-card, "Cuticura, Dept. 13G, Boston." Sold everywhere. Soap 25c. Ointment 25 and 50c.

Draft Control Measure to Be Instituted Upon With No Hesitation

ALBANY, July 31.—Replied from their session to the State Capitol to attend the extraordinary session the lawmakers have just held today, Whitman will not be surprised if all power granted him in which they are authorized with a food conservation and general measure satisfactory to him has been put through.

In indicating he will proceed at once with his new bill, Mr. Whitman is known to have in mind the desire of certain legislators friendly to the war industries manufacturers to tack on a rider permitting suspensions during the war time of the hours of labor. The Governor is unalterably opposed to such a course. Nor will he tolerate riders to enable the State canners to work women and children day and night during the harvest season.

The three Food Commissioners created by Mr. Whitman's bill would have automatic powers. They could commandeer food in times of emergency not only from warehouses and refrigerators, but from individuals suspected of hoarding. These foodstuffs would be sold direct to the consumer as a means of smashing high prices and driving speculators out of the market. Mr. Whitman says his bill incorporates the most advanced ideas of Herbert C. Hoover.

A Plant that Grows with the Times

About five years ago we conceived a tremendous idea—the idea of giving to America a soft drink such as it had never before tasted. A new kind of soft drink in flavor and in its cereal ingredients—a soft drink that should be nutritious as well as delicious—pure and wholesome.

The idea took root—it was cultivated, experimented with, tended with all the care and skill that science could apply. For four years this work went on and then finally about a year ago there sprang into being, Bevo—the drink triumphant.

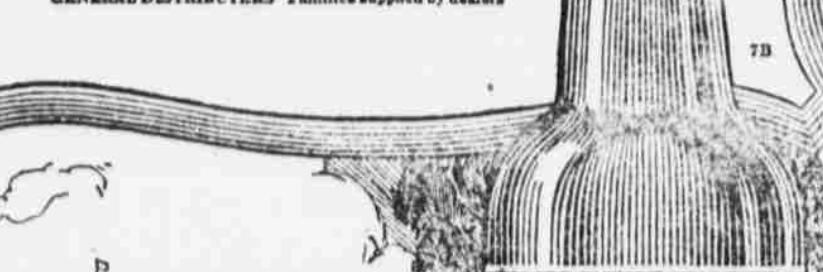

Less than two months after its introduction Bevo had leaped into such popularity that even our already large facilities could not supply the demand.

The result is that soon will be completed (built by public demand) the largest plant of its kind in the world—daily bottling capacity, 2,000,000 bottles.

You will find Bevo at all places where
refreshing beverages are sold. Bevo
is sold in bottles only—and is bottled
exclusively by

Announcing Now Our Greatest August Furniture Sale

NEVER BEFORE has the word "Ready" meant more in a Furniture sale!

Never before has there come to Loeser's and to you a Furniture event of such importance, nor of such significance, as this August Sale.

There is one outstanding feature of this sale—and of the Furniture world. The person who wants good Furniture at a moderate price must buy it now. The trend of world events is making a deep mark on the Furniture industry.

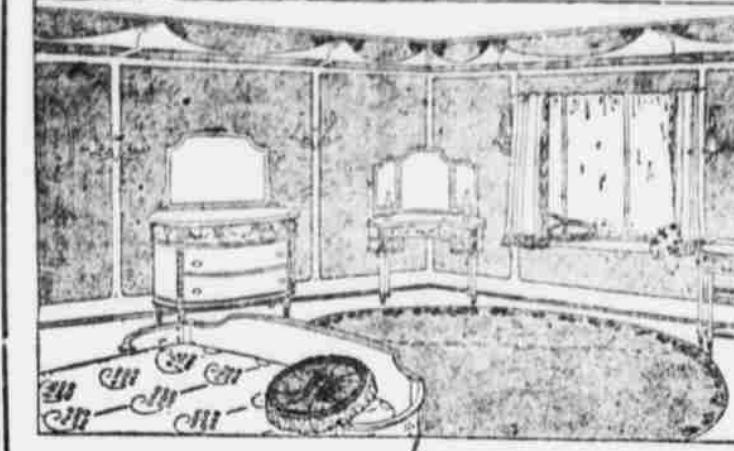

Good woods, the choice sorts that go into Loeser Furniture, can be brought across seas only with difficulty, for ships are not to be had.

Good men, the craftsmen who make Loeser sorts of Furniture, have been urged into war-time industries.

Furniture, even when it is completed, is hard to get, for most of it comes from far and the railroads are congested.

Yet, Despite These Conditions
The Loeser Stocks Are Splendidly Complete

It has been a trying task to gather together the offerings of

this sale. That we have reached in this event proportions greater than ever before is a matter of genuine satisfaction.

That we are bringing to Loeser patrons the choicest products of the country's best Furniture makers at prices which are in no wise indicative of the real worth is a matter for mutual congratulation.

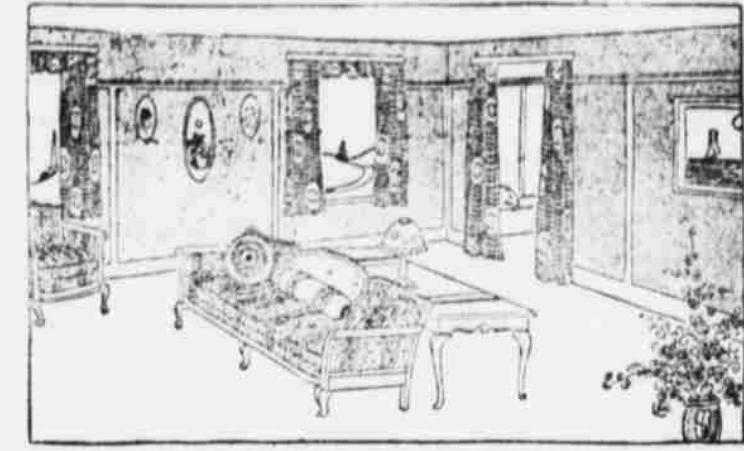

The factories of this country will continue to produce Furniture, but it may well be years before you can again buy Furniture of the sorts offered in this Loeser August Sale at prices comparable to those which now prevail.

This sale is one of balanced proportions. It holds something for every home, large or small, for every purse, for every far-seeing person who recognizes world conditions.

It has something for every one who takes pride in a well-furnished, cheerful home.

It has a particular message for every one who knows the merit of careful economy; who will share now in the savings which August brings; in the little prices which will probably remain unduplicated for years to come.

Take your share of the splendid Loeser Furniture; avail yourself of conditions which may never come again; and make your choice early when varieties are greatest.
